

Educational Opportunities

Support

Medical education plays an important role in the quality of healthcare delivered across the globe. Physicians, researchers, scientists and other healthcare professionals are increasingly challenged to maintain their knowledge, skills and abilities within their respective professions. By providing an educational grant in support of the educational opportunities below, you will make a vital contribution to these efforts and support better patient outcomes.

All educational grants are managed in compliance with relevant CME accreditation criteria and industry compliance codes. In order to ensure independence of all CME accredited elements, companies providing grants may not influence the topic, speaker selection, or any other aspect of the content or presentation. No promotional, commercial, or advertising materials may be included in the following opportunities. All support will be disclosed to participants.

All grants are managed in compliance with relevant accreditation and industry compliance criteria.

Independent educational grants, dedicated to the educational mission of the Annual Meeting, are appreciated and important to the Meeting's success.

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Independent educational grants, dedicated to the educational mission of the Annual Meeting, are appreciated and important to the Meeting's success.

- Support will be acknowledged in the Industry Support and

Exhibition section, on the event website and mobile application.
