***support the amount of nights as per congress policy.*** PIPELINE  
AND R&D IN SUPPORTIVE CARE IN CANCER

Join us in this Plenary Satellite Symposium (not included in the main CME/CPD credits of the event) to find out about the latest developments in the pharmaceutical industry.

- The main goal: an opportunity for pharmaceutical companies to present their pipeline.
- Limited number of companies: up to four companies per session (two sessions possible).
- Plenary session during lunch, up to 60 minutes, time slot to be advised.
- Session Chair to be decided by the meeting Organizing Committee.
- Presenting companies to cover all expenses of their speakers in this symposium
- Content to be presented to the Organizing Committee prior to the beginning of the MASCC meeting.
- The companies participating in the pipeline session will be recognized as supporters in all official congress publications.
- The logos of the companies participating in the pipeline session will display on the screen during the session.

Opportunity to place company logo on the lanyards. The Organizing Committee will select the type and design of the lanyards. The support entitlements are as follows:

- Supporter's logo to be printed on the lanyards.
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

Branded Charging Kiosk for multiple devices, including smart phones and tablets. It's a great way to leave a lasting impression on the congress delegates.

- Opportunity to brand the Charging Kiosk with your company name and logo.
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

**NOTE: (Generic description)**

**Fast Charge Technology:** Featuring exclusive fast charge technology for 14 devices, with the latest charging standards and utilize integrated circuitry to ensure your phone or tablet are never overcharged. We keep you always charged and always ready.

**Fully Customizable:** Place your company name and logo/movies on the LCD screen which is attached to the charging station. It's a great way to leave a lasting impression on the congress delegates.

**Works with All Mobile Devices:** Compatible with everything from the Apple iPhone and Android to Amazon Kindle and Blackberry.

- Opportunity to brand the Charging Kiosk with your company name and logo
- Support will be acknowledged in the Industry Support and Exhibition section of the Final Program, on the event website, and with signage during the event

**NOTE: description above if this is the KENES SUPPLIER**The Social Media Wall is an exciting and modern item which encourages delegates to post messages related to **WSAVA 2017**. This item provides you great exposure!

The on-site social media specialist will moderate the interactions to ensure that only appropriate and Congress related interactions are shared on the main screen.

Your company logo will be placed on the social media wall.

- A large screen will appear in a main area of the convention center (or in **WSAVA booth**) showing all social

media interactions that include the Congress hashtag **#WSAVA2017**.

- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

The Photo Booth is an excellent tool to engage with congress attendees. It allows them to have fun and share their experience. Attendees are given the opportunity to take a photo of themselves and colleagues, using fun props provided by Kenes, and have the photo sent to them via email, text message or directly uploaded to their social media accounts.

- The booth attracts many attendees and a sponsor would gain exposure by having their branding on the outside of the booth, including their logo on every photo taken.
- The exposure will last long after the congress ends as these photos are shared with colleagues, friends and family.
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

The selfie corner is an excellent opportunity to engage with congress attendees. It allows them to have fun and share their experience. Attendees are given the opportunity to take a photo of themselves and colleagues, using fun props.

This corner attracts many attendees and a sponsor would gain exposure by having their logo on every photo taken. The exposure will last long after the congress ends as these photos are shared with colleagues, friends and family.

- Support will be acknowledged in the Industry Support and Exhibition section of the programme guide, on the event website and application, and with signage during the

event.

Facilities will be available at the Meeting location for speakers and abstract presenters to check their presentations.

- Supporter's name/or company logo to appear on all signs for this room.
- Opportunity to display Supporter's logo on screensavers at each workstation
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

□Supporter will provide funding for the Notepads & Pens for the participants.

- Notepads & Pens will bear the ATTD logo and the Supporter's company logo and will be distributed in the participants' Conference bags.\***Team note- this can be supported in kind.**
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event

Just catch the colored target balls or paper, and place them in the tube...how hard can it be? Oh, and they are flying around, and you are racing against the clock, and avoid the negative colors so that you don't lose points! Be warned, this game is addictive!

The Cyclone Cylinder is the ultimate interactive experiential marketing game. It will give you the opportunity to interact with people and build genuine connections.

Each Cyclone Cylinder Ball Game can be branded with your logo and preferred color theme.

- Support will be acknowledged in the Industry Support and

Exhibition section of the program guide, on the event website and application, and with signage during the event.

Meet with attendees and key decision makers to share your new research outcomes, discuss your clinical protocols, and conduct product demonstrations of your new products and services. Product Theatre sessions are 30 minutes in length and will be held in a designated area(s) in the exhibit hall, which is set up in theater style for 50 attendees. No other sessions of the scientific programme will run in parallel but may run concurrent with other corporate sponsors.

Product Theaters provide a high value, live educational opportunity for hosts to reach engaged healthcare professionals. These sessions deliver a platform to gather and discuss issues on patient education, specific products and therapeutic areas

Located in the Exhibit hall, Product Theatre provides an opportunity to:

- Highlight and demonstrate new and existing products.
- Provide up-to-date research findings.
- Give product details in-depth.
- Demonstrate products.

- Distribute branded materials.
- Only 2016 Supporters/Exhibitors are eligible to support a Product Theater. □

Virtual exhibitions are 3D online environments for virtual conferences and events. The virtual exhibition increase exhibitors' exposure throughout the year and enables those unable to attend, to experience the exhibition as if they were there.

Kenes' Virtual Exhibition platform [\[AA1\]](#) is easy to set up and ready to use, quickly adapted to specific customization, with optional added features to create a unique experience and environment. The platform is fully web-based and can be accessed from any browser and any computer, integrating real-time communications tools, social media and data mining in a 3D environment.

**Each exhibitor can build their own virtual booth with an easy-to-use back office system. The back office options include booth branding, booth design and data upload, such as documents and videos. Exhibitors also have an option for “live chat” with online visitors.**

## **ADVERTISING SUPPORT OPPORTUNITIES**

Full page color advertisement:

**inside page / inside back page / spread page** (different pricing) in designated section of the Final Programme.

- The Final Programme will contain the timetable, information about the scientific Program and other useful information. □ It will be distributed to all registered participants in the Conference bags. □
- The advertisement will be printed in the designated industry section of the programme, according to compliance regulations.
- Support will be acknowledged in the Industry Support and

Exhibition section of the program guide, on the event website and application, and with signage during the event.

Promotional material (up to 4-page insert, A5 flyer) will be included in the Meeting bags.

- Material should be provided by the Supporter and approved by the Secretariat.
- Supporters' product information will be available for all Conference participants.
- The distribution arrangement will be advised.

□ Gain additional exposure for your Symposium, company or exhibition booth by sending out a Mail Blast to the pre-registered delegates who have agreed to receive promotional material, at a date and time coordinated with the Congress Organizer.

- **Exclusive:** Mail blast will be exclusive for the supporting company. The designed mail blast (html format with Kenes design requirements) and the preferred "Subject" to be provided by the Supporter and subject to receipt by 6 weeks prior to the Congress. □ "From" field will be Congress Acronym + Year .
- **Joint:** Mail blast will be shared with other supporting companies. Supporting company should provide the content for the mail blast following Kenes design requirements. Design of mail blast will be done by Kenes/Organizer.

*\* In the case where the supporter cannot provide a compliant HTML file, they may provide an image and it will be coded to HTML for an additional charge of € 250. Content received after the deadline may be processed for an additional fee of € 500.□*

**Industry Support Disclosure – will be added to all mailshots**  
*This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD*

*accreditation criteria and standards for commercial support. Industry Sponsored Symposia are organized by industry and not included in the main event CME/CPD credit offering.*

An example to a joint mailshot:

- Support will be acknowledged on on inside back cover as: "Supported by... " and a company logo only
- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.
- **Notes to ILS- Alternative option:**  
We can sell an actual full page (just tiny size) advertisement in the Mini Program to companies if we place the ad in the inside back cover page and next to the page of acknowledgements (separate from the timetable and all other educational/scientific and conference information). You can limit the number of ads to 2 and sell it for a high price. Alternatively, you can offer the usual "mini program was supported by + logo" option..

**Make sure to agree on this with the team before selling it.**

- One "push notification" sent to all participants\* onsite through the mobile app, to be coordinated with Meeting Organizer. Specifications will be provided by the congress organizers.
- \*Only for those participants who have opted to receive such information.

**ILS: For US BASED CONGRESSES:**
