

Professor Ian T. Meredith AM is our executive vice president and global chief medical officer, a position he has held since January 2017. In this role, he is responsible for leading clinical science and medical affairs across Boston Scientific and providing global leadership of the company's clinical trial strategy. Mr. Meredith serves on our Global Council for Inclusion and is an executive sponsor for our PEARL employee resource group, which is a network of employees with an Asian-Pacific focus. Prior to joining Boston Scientific, Professor Meredith served as professor and director of MonashHeart, and executive director of the Monash Cardiovascular Research Centre at Monash University in Melbourne, Australia, from September 2005 to December 2016. Professor Meredith has over 25 years of experience as a clinical and interventional cardiologist and also served as director of the Cardiac Catheterization Laboratories and Interventional Cardiology. Professor Meredith has been a member of the Board of the National Heart Foundation (Australia) and a member of the Cardiac Society of Australia and New Zealand National Board. Professor Meredith received a Ph.D. from the Baker Institute in Melbourne and an Order of Australia (AM) in the General Division for service to medicine in the field of Cardiology as a clinician and researcher. In 2019, Professor Meredith received a Doctor Laws honoris causa from Monash University for distinguished and exceptional service to the field of medicine and healthcare.
